

Blueprints [Lyrics, 84 bpm, 4/4]

[Default Arrangement] by Caleb Kuenzli, Bethany Kuenzli & Andrew Lark

Verse 1

You meet my tension
With open permission
Infused with kindness
Restoring my depths

Verse 2

You hid Your blueprints
Inside of my skin
So, I could find heaven
The deeper I dive in

Chorus

Thank You for freeing me
Your voice changes everything
Thank You for freeing me
These chains are done controlling me

Ramp

No more fear
No more pain
No more hated
No more shame

Bridge

Fear has got to go
You don't own me anymore
You don't own me anymore
Pain has got to go
Hatred has got to go
Shame has got to go
